All **FORM** book reports should be done in **COMPLETE SENTENCES**. This means to put part of the question back in the answer. Each month that your child has a form book report, a blank sheet of paper will be stapled to it. This is for the **FULL COLORED** picture. Points will be deducted for incomplete sentences and a page not full of color.

The **AR BOOK REPORT** will be done on the computer. Your child needs to read the book report book **TWICE**. On or before the due date, all students will take the AR test on the computer that goes with their book. The score on the AR quiz is the book report grade. This test can only be taken **ONCE**.

Thank you!
